

Fourth Global Risks Conference
with the participation of the
World Economic Forum
3 July 2017

ALRiM, the Luxembourg Association of Risk Managers, will hold its

Fourth Global Risks Conference

with the participation of the **World Economic Forum**

On **July 3rd 2017**, at 17:00

At the **Chambre de Commerce**
7 rue Alcide de Gasperi
Luxembourg – Kirchberg

Aengus Collins is Practice Lead for Global Risks at the **World Economic Forum**. He is the lead author of the annual Global Risks Report, and he also works on the World Economic Forum's flagship economic research and reports. He will present the main results of the 12th edition of the Forum's Global Risk Report. The Report identifies the **transformative forces underway** which will shape the coming decade, discusses the **changing global risks landscape** and raises awareness of the potential risks associated with these global evolutions.

John Hermans is partner of **KPMG IT Advisory**. He is leading KPMG's Strategic Growth Initiative on Cyber Security services within the Netherlands as well in Europe, Middle East and Africa, and member of KPMG's global Cyber Security Leadership. He will deliver a presentation on the Cyber-Risk threats.

Denise Voss, Chairman of **ALFI**, and **Marco Pescarolo** Group Treasurer of **Ferrero International**, will participate in the panel discussion on the theme: "What are the **Global Risks** which are the **most impacting** for the **Luxembourg Market Place**, how to **anticipate** and **mitigate** them?".

Philippe Soler is the Vice President of **ALRiM**, he is Director of Enterprise Risk Management at **RBC Investor Services Bank**. He will be the moderator of the conference.
