

“  
In trade, the whole  
world is one country,  
in which nations are  
like people.  
”

“  
If a foreign country  
can supply us with a  
commodity cheaper than  
we ourselves can make it,  
better buy it of them with  
some part of the produce  
of our own industry.  
”

The

Wheel

Visions of the

of

“  
The craft of the  
merchant is bringing a  
thing where it abounds to  
where it is costly.  
”

“  
Customs  
protection is our way,  
free trade is  
our goal.  
”
